

AIR FRESHENER FOR LARGE SURFACES AIRPOWER 750ML

Fragrances:
Choose from a wide range of available scents: Mango, Mandarin, Proflor, Bamboo, Apple, Bay, Freshly Washed, Lemon Air, Apple Cinnamon, Green Tea... Check our catalog for the full list.

Properties :
The AirPower 750ml aerosol air freshener stands out for its compact format and ease of use. It is a quality air freshener for professional use. AirPower is a novel, very powerful manual aromatization system designed to scent large areas. Thanks to its large fragrance discharge, it achieves prolonged fixation in the environment. It generates a pleasant natural feeling of freshness, as our air fresheners have very pleasant scents that improve the atmosphere of any place.

Instructions for use:
Spray once towards the center of the space to be scented. The spray should be brief. The propulsion range is 3-5 meters. Avoid spraying on surfaces dedicated to food. Do not spray on people or pets.
