

PRODEO ODOR ELIMINATOR ROOMSPRAY

Concentrated liquid specially formulated for odor elimination in spray format. It is ideal for quick and effective application in the air. This product combines various technologies to achieve effective odor neutralization, leaving a more pleasant and healthier environment.

Functionality and Composition

The **PRODEO** Odor Neutralizer is a specially formulated product designed to treat unpleasant odors such as burnt smells, sweat, and solvents. It is ideal for use in overcrowded spaces like offices, cafes, bars, as well as in rooms of teenagers or elderly people. The product has a light talcum powder scent, providing a pleasant fragrance while neutralizing unwanted odors.

Rather than masking the smell with another fragrance, it directly captures the odor-causing molecule and removes it from the air, effectively eliminating the bad odor from the treated environment or surface.

Applications

- Neutralization of burnt, sweat, and solvent odors.
- Ideal for overcrowded spaces (offices, cafes, bars, waiting rooms).
- Suitable for use in teenagers' or elderly people's rooms, hospitals, nursing homes...

Physical-Chemical Characteristics

- Aspect: Líquid
- Color: Colorless – Slightly Yellow
- Odor: Characteristic (Slightly powder smell)
- Density: 0.800 - 0.900 g/ml
- pH: N.A (Product not soluble in water)
- Flash Point: < 60°C

Storage

Store in a cool, dry place. Kepp containers closed and protected from light and heat.

Precautions

Professional Use Product. Flammable. Do not ingest. Avoid contact with skin. Avoid contact with eyes and mucous membranes. Prevent release into the environment. Dispose of the contents and/or container in accordance with current legislation. Complete information can be found in the Safety Data Sheet (SDS).
