

PROWC ODOR ELIMINATOR

ROOMSPRAY

Concentrated liquid specially formulated for odor elimination in spray format. It is ideal for quick and effective application in the air. This product combines various technologies to achieve effective odor neutralization, leaving a more pleasant and healthier environment.

Functionality and Composition

The **PROWC** Odor Neutralizer is a specially formulated product designed to treat unpleasant odors in bathrooms and wastewater. It is ideal for use in restrooms, offering a light and pleasant jasmine scent that helps neutralize unwanted odors.

Rather than masking the smell with another fragrance, it directly captures the odor-causing molecule and removes it from the air, effectively eliminating bad odors from the treated environment or surface.

Applications

- Neutralization of bathroom, plumbing, and wastewater odors.
- Ideal for use in public restrooms and high-traffic washrooms.

Physical-Chemical Characteristics

- Aspect: Líquid
- Color: Colorless – Slightly Yellow
- Odor: Characteristic Slightly jasmine smell)
- Density: 0.800 - 0.900 g/ml
- pH: N.A (Product not soluble in water)
- Flash Point: < 60°C

Storage

Store in a cool, dry place. Keep containers closed and protected from light and heat.
